### IN HOUSE EDI AT AMAZING PRICES

Getting true value out of any in-house software solution can always be challenging. Not with EMANIO Trading Partner®. Starting at under \$1,000, EMANIO Trading Partner® is one of the most affordable EDI solutions on the market - and since it comes bundled with all the technology you need to get started you won't have to worry about getting nicked and dimed to death.

### GROW AS YOUR BUSINESS GROWS

One of the best features of Trading Partner® is its ability to grow with your business. Start with our Trading Partner® FASTStart package which gives you an affordable, single partner, entry level EDI package and add support for one additional partner when you need it. Want to do more? Upgrading to our full Trading Partner® software is as simple as entering a new serial number. You will now have access to as many trading partners as you need at some of the most affordable rates available.

## CUSTOMER SPOTLIGHT ::::

When EMANIO Customer Flowmaster needed an affordable, reliable solution to take their EDI data into their IFS ERP system they turned to EMANIO and Trading Partner® Integrator.

## FULL FEATURED - REGARDLESS OF CHOICE

Unlike other EDI packages aimed at small and mid-sized companies, EMANIO Trading Partner® provides you with a full feature-set, regardless of the number of trading partner licenses you may have. This means that you can use the software as it was meant to be used and get 100% value from your purchase.

With Trading Partner®'s famous features working with EDI is easier than ever:

### *Automation and ease of use*

With full automation capabilities, EMANIO TradingPartner lets you set up your EDI and then focus on other work - rather than on your EDI. Send e-mails based on events you select, specific errors or receipt of transactions. With EMANIO TradingPartner 7 it's all possible.

### *Secure & compatible*

EMANIO Trading Partner® 7.0 lets you do EDI the way you want to. With optional AS2, AS3, FTPS and other forms of connectivity, it gives you the flexibility to trade using the latest available networks and direct connections.

### *Expandable*

Of course, with two hundred supported trading partners, and an installation process that takes minutes, EMANIO Trading Partner® 7.0 can grow as you grow, making it one of the more secure software investments in the business.

### *Grows with you*

Upgrading your EDI capabilities has never been easier. Upgrade seamlessly from the FASTStart to the full version and when you are ready for truly zero-effort EDI just upgrade to Trading Partner Integrator, for a fully ERP integrated EDI experience. With EMANIO Trading Partner your investment is safe.

## THE SUPPORT YOU NEED

Trading Partner® comes with support already included in the price, so you get a complete picture of your costs, with no surprises. Want to get more coverage? Simply upgrade your support level and get the benefits your business needs.

## EMANIO™, TRUSTED BY BRANDS YOU TRUST

With over 2,000 installations world-wide EMANIO Trading Partner® is one of the most trusted EDI solutions around the world. Companies like Flowmaster, CH Powell, Stuart Weitzman, GE Capital, Guittard Chocolate and hundreds of other trusted brands trust EMANIO with their EDI software.
